**OFFICE OF THE LEGISLATIVE COUNSEL**

**Tuesday - 12 May 1964**

25X1 1. [ ] Talked with Mrs. Piotrow in Senator Kenneth Keating's office concerning Czech aid to Cuba. She was interested in the order of magnitude and I explained we would have a detailed piece available tomorrow but that it was in the neighborhood of 75 to 90 million.

25X1 2. [ ] Mr. Elder advised the Director had talked ✓ to Senator Stennis on the question of a clearance on special matters for Glenn Smith indicating to the Senator that formal clearance could involve us with problems with other Committees such as the Joint Committee on Atomic Energy and Senate Foreign Relations. There was apparently some talk about the possibility of temporary assistance from the Agency. Senator Stennis apparently understood the problem and said he would turn the matter over to his counsel, Jim Kendall. The Director indicated that he thought sure that Kendall and Warner could work this out on an informal basis. Elder agreed that a fair interpretation of this discussion would be some informal briefings of Glenn Smith and if he then got out of line we would then deal with the situation. Accordingly, I alerted Jim Kendall that this matter had been discussed by the Director with Senator Stennis and the Senator would be calling him. Kendall said he saw no reason why this problem could not be worked out and he would be in touch as soon as Stennis talked with him.
